Riley, William

[New Brunswick, NJ]

December 9, 1904

[Will you please give me the value of a coin of 1864, classified by Wm. E. Dubois to be connected with the U.S. Mint?]

New Brunswick N.J.

Dec 9. 1904

Gentlemen.

Will you please tell me the value of a cent of 1864. described by Wm E. Dubois Esq connected with the U. S. Mint as follows. "One of a " pair struck in 1864 when we " were trying to get the best alloy. " Composed of 90 parts copper and " 10 parts tin. no other metal. " Struck with extra care on a " screw press."

Respectfully
William Kirby

ans

12/15

Have to do it but think

he would give 50¢ for it
